AN EQUAL OPPORTUNITY EMPLOYER

March 1, 2011

Dear Administrator:

I am writing this letter in reference to Miss Evan Williams. I had the opportunity of working with Miss Williams during my Language Arts class, where she orchestrates small group instruction based on our 4Sight Benchmark Data. We cooperatively worked as a team to meet the needs of the students through our Reading Anchors. Evan has utilized the SAS website to assist the students on their weakness. She has provided great support for my students!

She has an excellent rapport with both students and staff. The students respond well to Miss Williams by showing respect and motivation. She is always dependable and shows a great interest in her profession. I would highly recommend Evan Williams for a teaching position in your school district.

Sincerely,

Melissa McConnell
6th Grade Language Arts Teacher
