To Whom It May Concern:

I am writing this letter of recommendation for Evan Williams who has worked at West Middlesex Area School District as an Instructional Aide. Miss Williams has been employed by the District for the 2010-2011 school year. While at West Middlesex she has worked with the Title I programs. She has supported students in the Luther Low Elementary School building which houses kindergarten through third grade and in our Oakview Elementary School building which houses students fourth through sixth grade. On many occasions I have asked her to change her schedule and assist with coverage. She is always flexible and willing to cover when asked.

While working with our students, Miss Williams has gained experience with Leveled Literacy Intervention, Kidwriting, Guided Reading Groups, and Independent Reading. She has assisted with PSSA preparations and substituted or covered classrooms in grades kindergarten through sixth grade During our annual Literacy and Math Celebration Night, Miss Williams taught a scavenger hunt lesson to parents and 5th grade students. Miss Williams has also helped with lunch duty and morning announcements

I was most impressed with The Little Red Press which was created by Miss Williams. This elementary newspaper spotlighted kindergarten students through sixth grade students Miss Williams also collected photographs, photographed elementary school events, and wrote captions for submissions to the Sharon Herald highlighting our school. This spotlighted her gift for writing.

Please feel free to call me if you desire more information (724) 634-3030 Ext. 2001.

Educationally Yours,

Tammy Mild
Elementary School Principal
