**Letter of Recommendation for Evan Williams**

To Whom It May Concern:

I am very pleased to write this letter of recommendation for Miss Evan Williams, with whom I have been working during the past year.

Miss Williams exhibits a positive rapport with the students, staff, and administration. Her instruction is diversified and individualized according to the needs of each student. Miss Williams is supportive and respectful of her peers and their ideas.

Miss Williams effectively plans and implements lessons that are appropriate for the students. Each lesson is well thought out and standards-driven. While she teaches, students are actively engaged in authentic learning.

Miss Williams actively pursues the latest educational research and readily implements various new teaching techniques. Within the past year, she has volunteered to help in after-school parent and student workshops. As an example, for a recent parent Title One "Literacy Night" Workshop, Miss Williams helped organize the event.

I am confident that Miss Williams would serve as a positive asset to any staff with her professional knowledge and educational experience.

Sincerely,

Mrs. Ann Wiles
