To Whom It May Concern:

It is my pleasure to write this letter of recommendation for Ms. Evan Williams. Ms. Williams was an excellent student teacher in my third grade classroom at Propel Montour Charter School.

During her student teaching, Ms. Williams demonstrated many skills and attributes of an effective teacher. She was committed to the students and to meeting their individual needs. She provided meaningful instruction based on Pennsylvania State Standards.

Ms. Williams' lessons were well-planned and well thought out. She developed lessons to keep the students engaged and frequently integrated technology. She had high expectations for the students and strong classroom management skills. She also demonstrated a high level of professionalism and really become part of the "third grade team."

Ms. Williams has the talent and attitude to be a successful teacher. She would be an asset to any school. Please feel free to contact me if any further information is needed.

Sincerely,
